Help Documentation

System Administrator

To better understand the different areas of the system administrator's interface, please refer to the diagram below:

The screenshot displays the SmarterMail Enterprise System Administrator interface. The interface is divided into several panes:

- Navigation Pane:** Located on the left side, it contains a sidebar with icons for adding new domains, searching, and managing domains. The domain list includes:
 - example.com:** Status: Enabled, Users: 6, Aliases: 1, Mailing Lists: 1
 - Folders.com:** Status: Enabled, Users: 1, Aliases: 0, Mailing Lists: 0
 - import.com:** Status: Enabled, Users: 1, Aliases: 0, Mailing Lists: 0
 - import2.com:** Status: Enabled, Users: 0, Aliases: 0, Mailing Lists: 0
 - importTest.com:** Status: Enabled, Users: 1, Aliases: 0, Mailing Lists: 0
- Content Pane:** The main area, currently displaying the configuration for **example.com**. It includes a search bar and a list of actions (Edit, Manage). The configuration is organized into sections:
 - Details:** Domain Name: example.com, Active: Enabled, Domain Administrator: admin, Outbound IPv4: 10.1.1.73, Outbound IPv6: ::1, Folder Path: C:\SmarterMail\Domains\example.com, TLS: Use Server Default, Require SMTP Authentication: Disabled.
 - Throttling:** Outgoing Messages per Hour: 1000, Message Throttling Action: None, Outgoing Bandwidth per Hour: 100, Bounces Received per Hour: 1000, Message Throttling Action: None.
 - Features:** Active Directory: Enabled, File Storage: Enabled, POP Retrieval: Enabled, IMAP Retrieval: Enabled.
 - Statistics:** Users: 6 of 100, Aliases: 1 of 1000, Mailing Lists: 1 of Unlimited, Size: Unlimited, File Storage: Unlimited, Domain Aliases: 0 of 2, Max Message Size: Unlimited.
 - Priority:** Standard Messages: 5 - Normal, Mailing Lists: 5 - Normal, Auto-Responders: 5 - Normal, Bounces: 5 - Normal, Email Reports: 5 - Normal, Appointment Reminders: 5 - Normal.
- Toolbar:** Located at the top right, it contains the user name (System Administrator (admin)), a Help menu, and a Reminders button.
