Installation

SmarterMail comes as a single installation file that contains everything necessary to run the product. The SmarterMail installer can be downloaded from <http://www.smartertools.com> . Both the free and the licensed editions of SmarterMail are contained within this installation file, so it is not necessary to download or install the file again if you purchase a license after trying the free edition.

Please refer to the KB article [How To - Install SmarterMail](#) for step-by-step installation instructions.
