

Message Traffic

Help Documentation

Message Traffic

This report will tell you the number of messages that are being sent and received on your server. System administrators may use this report for overage billing, to identify potential spammers on the server or to identify high-usage domains. Note: Not all reports are available for users and/or domains. Consult your system or domain administrator for report availability.

The following report items are available:

- Account Type - The type of account the email address is associated with (user, domain administrator, or system administrator).
- Incoming Messages - The total number of messages the account has received.
- Incoming Spam Messages - The total number of spam messages delivered to the mailbox.
- Outgoing Messages - The total number of messages the account has sent.
- Outgoing Spam Messages - The total number of spam messages sent from the account.
