Calendar Settings

To view your calendar settings, click the settings icon . Then expand the My Settings and Advanced Settings Folder and click Calendar Settings in the navigation pane. The calendar settings will load in the content pane and the following tabs will be available:

Options

Use this tab to specify the following settings:

- Default Calendar View - To specify the default calendar view (daily, weekly, monthly, or all appointments), select the appropriate option from the list.
- Enable display of weekends in the weekly view - Select this option to set the weekly calendar view to include the weekends.
- Enable display of weekends in the monthly view - Select this option to set the weekly calendar view to include the weekends.

Tasks

Use this tab to specify the following task-related settings:

- Enable display of task start times in the calendar view - Select this option to view the date and time a task is scheduled to start on the calendar.
- Enable display of task due times in the calendar view - Select this option to view the date and time a task is scheduled to be completed on the calendar.
- Disable display of completed tasks - Select this option to remove completed tasks from the calendar view.

Weather

U.S. users can view the 7-day weather forecast on their calendar. To enable this option, type your postal code in the appropriate field and select the Enable weather checkbox. Weather forecasts are provided by the National Weather Service.

Visible Hours

SmarterMail users can use this tab to customize their calendar to display their typical hours. For example, if you typically schedule appointments from 8 a.m. to 5 p.m., you can configure the visible hours to correspond with those times. Users can also configure the visible hours for each day of the week to allow for flexibility in your schedule.
