Search

To better understand the different areas of the advanced search section, please refer to the diagram below:

The screenshot shows the SmarterMail Enterprise 9.0 search interface. The interface is divided into several sections:

- Search Selector:** Located at the top left, it includes a dropdown menu for "Search - Email" and a "Reset" button.
- Content Pane:** The main area on the right displaying search results. It includes a toolbar with "Open" and "Delete" buttons, a summary bar showing "Email (16)", "Contacts (0)", and "Appointments (0)", and a table of search results.
- Navigation Pane:** Located on the left side, it contains a search criteria list with fields for "From", "To", "Cc", "Subject", "Body", "Folder", "Email Received Before", and "Email Received After".
- Toolbar:** Located at the top right, it includes user information "user@example.com", "Available", "Reminders (5)", "Logout", and "Help".

The search results table is as follows:

<input type="checkbox"/>	Subject	Folder	Date	Size
<input type="checkbox"/>		Deleted Items	3/4/2011	3 KB
<input type="checkbox"/>		Deleted Items	3/4/2011	3 KB
