## Incoming Spam

This report tells you the number of spam messages which were received at different tolerance levels for all domains on your server. Note: Not all reports are available for users and/or domains. Consult your system or domain administrator for report availability.

The following report items are available:

- Account Type - The type of account the email address is associated with (user, domain administrator, or system administrator).
- High Spam Messages - The total number of messages received with a high spam tolerance level.
- Medium Spam Messages - The total number of messages received with a medium spam tolerance level.
- Rank - The order in which users or domains are listed within the report.
- Total Spam Messages - The total number of messages received with any spam tolerance level assigned to it.
- User - The specific user on the domain.
