## Top Documents

This report displays the most frequently downloaded documents on your website. By data mining this report item, site administrators and users can identify the websites/pages that referred visitors to these documents. Note: By default, SmarterStats considers the following extensions to be documents: .CHM, .DOC, .PDF, .PS, .RTF, .TXT, .XLS, .XML. However, the system administrator may set up additional extensions as documents.

Note: This report can be added as a report item to a custom report. It may also be used in the creation of standard reports. For more information on report items, refer to [Understanding Report Items](#) .

For a definition of the terms listed on this page, please refer to the [Glossary](#) .
