

Spider Weekday Averages

Help Documentation

Spider Weekday Averages

This report displays the average daily breakdown of the spider and/or bot activity (page views, hits, and bandwidth) for the selected date range.

Note: This report can be added as a report item to a custom or favorite report. It may also be used in the creation of standard reports. For more information on report items, refer to [Understanding Report Items](#) .

For a definition of the terms listed on this page, please refer to the [Glossary](#) .
