

Spider Weekly Totals

Help Documentation

Spider Weekly Totals

This report displays the spider and/or bot activity (page views, hits, and bandwidth) on your website for the week(s) that your selected date range includes. Note: The report displays data for the entire week, regardless of where your date range falls within that week.

Note: This report can be added as a report item to a custom or favorite report. It may also be used in the creation of standard reports. For more information on report items, refer to [Understanding Report Items](#) .

For a definition of the terms listed on this page, please refer to the [Glossary](#) .
