PageRank Trend

This report displays the PageRank of your site and a competing site during the selected date range.

Note: To see these metrics for a different competing website, choose the desired site from the report options pane.

Note: This report can be added as a report item to a custom or favorite report. It may also be used in the creation of standard reports. For more information on report items, refer to [Understanding Report Items](#) .

For a definition of the terms listed on this page, please refer to the [Glossary](#) .
