Keyword Suggestions

This feature is only available to site administrators.

The keyword suggestion tool can help site administrators choose additional keywords for their websites. To access this tool, click the SEO icon . Then click Keyword Suggestions in the navigation pane. The following options will be available in the content pane toolbar:

- Get Suggestions - Click this button to get a list of search phrases (keywords) that are similar or related to the keywords you provide.
- Add Keywords - Click this button to add the selected keyword(s) to a SEO campaign.
- Email - Click this button to email the list of suggested keywords to the desired recipient(s).
- Export - Click this button to export the list of suggested keywords in CSV or TAB format.
