## Logging in to SmarterStats

Users and site administrators will need to obtain the link to the SmarterStats Web interface login page and the Site ID from their system administrator. To login to SmarterStats, type the site ID, username, and password in the appropriate fields and click Login .

To stay logged in to SmarterStats even after closing the browser, be sure to select the Remember Me checkbox. This will allow SmarterStats to encrypt the username and password. This feature works as long as you do not log out of SmarterStats prior to closing your browser window. Note: Browser cookies must be enabled for this feature to work. --%>
