SmarterTrack Help

Welcome to the SmarterTrack Help System. In the tree menu on the left you will find various help topics that will help you use SmarterTrack more effectively. At the top of each page, there are links that will allow you to search the help, visit the SmarterTools Community, browse the knowledge base, watch product videos, or either print the page you're on or view the page as a PDF file. At the bottom of each content window, there is also a "Link to this page" text link that can be used for to send people directly to that page of the help file.

If you need assistance beyond what's available in this documentation, feel free to review the paid support options and self-help resources found on the Support Portal .
