

Server Summary

Help Documentation

[Server Summary](#)

Traffic Summary

This report displays the aggregate traffic activity (page views, visits, hits, and bandwidth) for all websites on a server during the selected date range. System administrators can also view the aggregate traffic activity across all servers.

For a definition of the terms listed on this page, please refer to the [Glossary](#) .

Visitors Summary

This report displays aggregate visitor activity (visits, unique visitors, new visitors, and return visitors) for all websites on a server during the selected date range. System administrators can also view the aggregate visitor activity across all servers.

For a definition of the terms listed on this page, please refer to the [Glossary](#) .
